

GRAYLING AREA TRANSPORTATION STUDY

As an update to the 2008 Study, the Transportation Study will evaluate the safety, efficiency and convenience of the transportation system and determine the need for transportation improvements based on recent regional developments.

Final Public Meeting

Join us at Grayling City Hall to learn about the Study's final recommendations for transportation improvements in the Grayling Area! The presentation will be live streamed over Zoom for those who are unable to make it in person.

February 17th @ 5:00 pm

In-Person Meeting

Grayling City Hall, City
Council Chambers
1020 City Blvd
Grayling, MI 49738
